

## CONTINUE THE CONVERSATION

### BIBLE STORY

#### **Genesis 1: God created the world.**

God has always existed. God created everything from nothing in just six days. God said that each thing He created was good. All of creation is made to glorify God.

### BIBLE TRUTH

#### **God created everything.**

### MEMORY VERSE

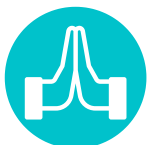

#### **Psalm 19:1**

The heavens declare the glory of God; the skies proclaim the work of His hands.

### TALK ABOUT IT

- What is your favorite thing that God created?
- What are some things you can thank God for in His creation?
- How many days did it take for God to create the world? (*It took God six days to create the world.*)
- Why did God create everything? (*for His glory and our good*)
- What did God do on the seventh day? (He rested)
- How can we rest and spend time with God?

### PRAY ABOUT IT

#### **Psalm 33:6**

God, we praise You for creating everything we see, hear, taste, smell, and feel. Your Word says that all of creation exists because of You and for You. Lord, help me to remember to thank You every day for all that You have made.

### MAKE A DIFFERENCE

Long Hollow is delivering meals to local hospitals during this difficult season. We are inviting families to make encouraging cards that we will deliver along with the meals. Bring cards to church with you during the month of September and drop them in our "Healthcare Heroes" boxes near LH Kids check-in desks.

# Just Six Days

**INSTRUCTIONS:** Number the pictures below from 1 to 6 to show what God created on each day.
