Questions for Families

Here are some questions you can discuss with the whole family.

1 Corinthians 11:17-28

What do you think God wants us to remember when we eat the bread and drink the cup?

Guide for parents: Encourage young children to think about how the bread and cup can remind us of Jesus and his love. Older children might consider how it shows Jesus' sacrifice and how we should remember his teachings.

Why do you think it's important for everyone to share and be united at the Lord's Supper?

Guide for parents: Help younger kids understand the importance of being friends and including everyone. For older kids, discuss how unity and equality among believers reflect God's love and the message of the gospel.

How can we make sure that we're showing love and kindness during the Lord's Supper and every day?

Guide for parents: With younger kids, talk about simple acts of kindness and sharing. Older kids might explore deeper ideas like confessing when we're wrong and striving to treat others with fairness and compassion, just as the passage encourages.
