BIBLE STORY

Job • God controls everything

God had blessed Job with wealth and a large family, and Job trusted God. Satan claimed Job had faith only because God had blessed him. God allowed Satan to take Job's blessings and health. Job questioned God, but learned that God is all-powerful, sovereign, and good. God ended up blessing Job even more in the end.

BIBLE TRUTH

God is in control of everything.

MEMORY VERSE

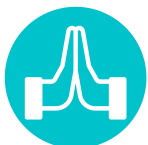

Psalm 135:5-6

For I know that the Lord is great; our Lord is greater than all gods. The Lord does whatever He pleases in heaven and on earth, in the seas and all the depths.

TALK ABOUT IT

- What are some things that God has blessed you with?
- Why did God allow Job to suffer? (*to bring glory to God*)
- How can we still praise God when things are hard? (*We can remember that God is in control of everything and loves us.*)
- How does God ask us to respond to suffering in Job? (*He asks us to respond by trusting Him and worshipping Him.*)

PRAY ABOUT IT

Read Isaiah 55:8-9

Dear Jesus, we know that You can be trusted through the good and the bad times. You are in control of everything. Only You know what will be good for us and bring You glory. Help us to remember to pray when things are hard. In Jesus' name we pray, amen.
