

## Lesson 17 – Amends

January 23, 2023

What does it mean to make amends? Amends means to make minor changes in order to make it more accurate; to make better or improve.

Small Group Questions:

1. In your own words, what does “making amends” mean?
2. Is there a situation or relationship that you need to hand over to God completely (because, in your flesh, you can’t fix it without him)?
3. Can you think of one specific situation where you need to ask forgiveness from someone? If you feel comfortable, share it with your small group.
4. Are you ready and prepared to surrender what is written and wash your rock clean?
