

Lesson 27 – Give

April 17, 2023

What does it mean to give? To give is to freely transfer the possession of something to someone; to hand over to.

Small Group Questions:

1. What part of the testimony stood out to you tonight?
2. Did you relate or resonate with anything that was shared? If so, what?
3. How has The Landing helped you with your hurts, habits, or hang-ups?
4. Are there areas you still need accountability in? If so, how can the members of your small group help support you in your recovery?
