

Lesson 36 – Turn

July 10, 2023

What does it mean to turn? Turn means to bend or change the course of; to alter the drift, tendency, or expected result of.

Small Group Questions:

1. We all come bringing our hurts, habits, and hang-ups when walking into The Landing. What brought you here?
2. What have you repented of (turned away from) since you began coming?
3. What is something you still need to turn away from and give to God? Are you ready and willing to do that tonight?
4. Be honest... who has the seat at your table? Are you still allowing the enemy to sit at your table and tell you lies? Is Jesus waiting for you to turn toward Him and ask Him to take the seat back?
5. Have you ever made the decision to turn to Jesus and trust Him to lead you through life? If not, what is holding you back?

*(Please talk to your leaders if/when you are ready to ask Jesus to have a permanent seat at your table by trusting Him with your life. They would love to answer your questions, concerns, or pray with you as you turn toward Him.)
