2. What are the indicators of a growing relationship with Jesus?
3. Has someone helped you on your journey toward freedom and a close relationship with God? If so, tell us about it.
4. What’s the difference between compassion and pity?
5. How do you know when you’re talking to a good listener—what “cues” do you pick up that the person is listening well?

6. Why are some people able to share about their struggles, while others hide them?
