

Lesson 44 – Daily Inventory

September 11, 2023

What is daily inventory? Daily inventory is reserving a daily time with God for self-examination, Bible reading, and prayer in order to know God and his will.

Small Group Questions:

1. What part of the testimony stood out to you tonight?
2. Did you relate or resonate with anything that was shared? If so, what?
3. How has The Landing helped you with your hurts, habits, or hang-ups?
4. Are there areas you still need accountability in? If so, how can the members of your small group help support you in your recovery?
