

## Lesson 11 – Celebration

November 28, 2022

What is a celebration? A celebration marks something, such as an anniversary, by festivities or other deviation from routine; it means to hold up or play up for public notice.

### Small Group Questions:

1. In what ways have you mistreated your body?
2. What activities or habits have caused harm to your physical health?
3. How have you mistreated anyone in your family? Can you make amends?
4. In your family, who have you treated poorly? How can you make amends?
5. In what ways have you shown your commitment to your church or youth group in the past? How have you been critical of your church or youth group, and what have you done to address your criticisms?
6. How have you encouraged or discouraged friends and family to get involved in church or youth group?
